

Cirencester Car Club Ltd

# **THE 15th CORINIUM RUN**

Sunday 15<sup>th</sup> April 2018

**Start/Finish:**  
The Corinium Stadium, Cirencester

Thank you for your entry. Your identification number can be found on the enclosed entry list.

Your start time from The Corinium Stadium can be found on the enclosed start times list, (Car 1 at 9.31).

Travelling Marshals will start at 9.00 plus your TM number in minutes, (TM 1 at 9.01).

**REMEMBER:**

Please remember to arrive at the Corinium Stadium with your car fuelled to your satisfaction, where your fuel filler cap will be checked and sealed. The closest garage is Burford Road Services shown on the enclosed map.

## FINAL INSTRUCTIONS

### VEHICLES TOP UP WITH FUEL

This can be done at the Burford Road Services, Cirencester, GL7 5DS. (MR163/036.5 029.5) or at any other filling station, but it is in your best interest to arrive at the start with your fuel tank as full as possible.

The route is approximately 120 Miles long, so remember extra fuel cans can be sealed at the start if you are not able to complete this distance on a full tank.

At the start venue a start marshal will seal the filler cap/lid and any extra fuel cans by applying a non-damaging seal.

Please note there are **no 4-Star or Lead Replacement fuels**; Unleaded, Super Unleaded and Diesel are available. Please contact the organisers if this presents a problem.

### SIGNING-ON

This will take place at The Corinium Stadium, Cirencester, GL7 1HS from 08.00 to 10.45.

**Please aim to arrive at least 45 Mins before your start time.**

A map is enclosed showing the location of the **MEASURED MILE** (to allow participants, if they wish, to calibrate any tripmeters in line with the one used to compile the roadbook).

On arrival at The Corinium Stadium please park as per the enclosed plan and as directed by our marshals. Breakfast rolls and a hot drink will be available to all participants.

### TIMING

The event is a Touring Assembly, there is no timing except for the purpose of preventing competitors travelling too fast or too slow.

In the road book you will find a timing schedule with your car number listed with the timings that you are due to leave the Route Checks during the day, there are no penalties for not complying with this.

We would ask you to follow the time schedule, to ensure the enjoyment of yourself and other participants whilst minimising the disturbance to those who live along the route.

## **START and Other Route Checks**

At the start please queue up in number order, at other halts queue up and depart at minute intervals in any order.

## **FOLLOW THE ROUTE**

The route is defined by the 'tulip' diagrams in the Road Book issued at signing-on. The times at which the Route Checks will be open have been established as follows:

Opening: 25mph average from the time of the start of the section.

Closing: 20mph average from the time of the last car starting the section.

## **THE FUEL ECONOMY SECTION FINISH OF THE EVENT**

This will be at The Burford Road Services where cars will be topped up with fuel under supervision. Participants should then make their way to The Corinium Stadium.

You are required to get receipts for the fuel you have bought and have them stapled to your route cards.

## **TOILETS**

These are available along the route at the following locations:

The Classic Car Hub

The Cotswold Food Store & Cafe

The Cotswold Lion Cafe

Cotswold Food Store	01451 830469

### **LUNCH**

Ample time (60 Mins) is allowed in the schedule for lunch/picnic to be taken at The Cotswold Food Store & Cafe

### **Finishers Certificates**

A Certificate with a photograph taken during the day, will be presented to participants at the Corinium Stadium. We aim to have these ready for distribution within 30 minutes of your return.

Certificates will be posted to those who are unable to complete the route or have to leave early.

For your interest, fuel consumption, in mpg and litres per 100km will be calculated for you by the results team. In addition your environmental performance in terms of grammes of CO<sub>2</sub> per km and total CO<sub>2</sub> emissions for the event will also be calculated. These results will be on display at the finish and our web site following the event.

### **REMINDER**

**Participants are responsible for the costs of filling their cars with fuel at the start and finish of the event.**

## 2018 Corinium Run Timing

For this year's event we have made some changes to the way we run the event.

Firstly the newer cars will start at the front of the field, a trial to see if it cuts down the number of complaints we get each year from participants being held up by slower cars.

We ask you to please start from the Corinium Stadium in the entry list order, there after you may leave our refreshment venues in any order you like but at one minute intervals any time after the departure control opens. Controls close 75 mins after the controls open.

Please remember to take time to enjoy the venues that we are visiting, this is not a race and if you arrive at the finish early the food will not be ready for you.
