

## Update for Early Summer 7/24    Best news at the end- but read this first!!

My apologies that 2 meetings have now taken place and you have had no contact from the Club.

Here is a summary of what has happened meanwhile.

The second of the two committee meetings was held at the Highwayman as a face to face rather than a split with Video link. So much more sociable for everyone, at last. Both meetings well supported by the committee members.

The first event we ran in April was the 20<sup>th</sup> Corinium Run, the entry was full and the weather was onside. Both Coffee and Tea breaks were held at a beautifully designed Chedworth Village Hall, where all could enjoy the sun both outside and inside the venue. Breakfast Baps and Supper was taken again at the loyal Highwayman Inn. All who work on Classic Runs will know that getting anyone in catering to keep their venue open especially for us, after a busy Sunday Lunch, is a star. Thanks to Martin and Corinium Run Committee for their success.

From May it was time for the Summer Series to begin. This is at the field in Winstone. It has been a on diary for long while. It is currently being well supported and several club members have stepped up to run this monthly event. Brill!    Thank you everyone involved over the summer.

In early June Ben and Chris put on an enjoyable and well supported evening Run. Starting at the Highwayman. Thank you, Ben and Chris.

The next date in in June was The Derby weekend when 15 cars enjoyed the stunning Derby Dales arriving on Friday evening at the Makeney Hall Hotel Enjoying a Classic run on the Saturday with dinner at the Hotel in the evening. A run towards home on Sunday morning took us through more views and villages. Closing at the amazing National Memorial Arboretum. From where we all left for home. Another great weekend.

Thank you to Martin, with Sam's support, for creating this enjoyable event online, bar one early visit to Derby to plot and plan the venues and the route.
