Cirencester Car Club

Chairman's Report 2026

Welcome to the 2026 Cirencester Car Club AGM

My thanks once again to the committee for their continued support in keeping our club alive for another year.

- We have been able to host motoring events for our members and the wider motor sport community.
- Membership levels have stayed the same.
- The club has remained financially stable, with the Ltd Company/Club showing an overall surplus proving that the small changes made in recent years have been able to protect the club's reserves.
- The club motorsport environment becomes increasing more difficult to navigate, most organisers positions are now licenced with compulsory attendance at training days and online examinations before licence renewal is approved.

Web Site/Facebook

- The club's website works fine, a web master would help to keep it more up to date, any volunteers?
- Facebook is working well in communicating with our members, Thanks to Ben Amor for his work moderating the posts.

Corinium Run

- A good well run event
- A full entry of 70 Starters
- The current format continues to work well with the club running in house refreshments again this year at Chedworth village Hall, thanks to Ben & Chris Amor.
- The new course opening team worked well and is something we will continue for next year.
- **Thanks to the Run organising team**

Club Socials

- Xmas quiz run by Ben & Chris
- BBQ evening in the autotest field at Winstone was hampered by the weather but those who attended had a great time.
- 10 Pin bowling in Memory of Dave Gregory, won by the Trevor Craze
- **Thanks to the individual event organisers**

12 Car series

- The 12 car championship ran for a third year with 3 events held during the Winter 2025/26.
- Three events ran but had mixed attendances
- The championship was won by Dom Taylor & Dave Waldron

Summer Series

- 4 Rounds ran at Winstone
- R1, 16 Members
- R2, 15 Members
- R3, 12 Members
- R4, 13 Members

- **Thanks to Trevor Craze for running the series.**
